INT. LECTURE THEATRE - DAY

SUPER: CAMBRIDGE UNIVERSITY, ENGLAND, 2066

The remaining pupils filter out of the lecture theatre in a hurry, leaving the PROFESSOR alone at the front. He is packing his papers into his briefcase as the doors at the top back close.

The Professor drops a pile of papers that read 'CELL MUTATION'.

He curses under his breath and bends down. He gathers them up in his arms, then stands up to see a tall figure standing at the front entrance to the theatre.

The Professor drops the papers again, as the door swings closed behind the figure.

PROFESSOR

No! It can't be you, it can't be!

The figure steps into the light and is revealed to be KAYDEN - 21, athletic, with short black hair. He looks at the Professor with a sinister smile.

KAYDEN

Believe it, Professor.

Realising that Kayden is blocking the nearest exit at the bottom of the lecture theatre, the Professor drops his papers. He presses a red button that flashes rapidly.

Forgetting all of his possessions, the Professor runs towards the back of the theatre, to the exit. Kayden chuckles and walks after him.

Three POLICEMEN enter the theatre via the same door Kayden came from. They wear light body armour and sunglasses. Pulling out taser batons, they race after Kayden.

They reach him half way up the back of the theatre. BIG COP grabs Kayden's shoulder and spins him round. Kayden's hand whips round and grabs Big Cop by the throat. He easily lifts the mammoth off the ground with just one arm.

Smiling, Kayden hurls Big Cop across the lecture theatre. The cop crashes into the wall and falls to the ground.

The Professor sees the action and hurries out of the room as fast as he can.

SKINNY COP meets Kayden, swinging his fist. But Kayden is lightning fast. He ducks underneath the attack, emerging behind the officer. With a sharp twist of Skinny Cop's head, the neck is broken.

Kayden slams the officer into DOOMED COP, who catches him. He then slams his fist across the last cop's face, flooring him instantly.

Kayden walks up the lecture theatre, as two more cops burst in. He slams the first against the wall.

WHAM WHAM WHAM!

Three lightning punches connect with the cop's face and he collapses on the ground, blood pouring from his face. The second cop advances, but Kayden kicks him hard in the chest.

The cop flies back and crashes through the door. Kayden runs and leaps through the opening, into the next room. The door closes quietly behind him.

There are screams and sounds of action from the next room, as Kayden works his magic.

INT. NEXT ROOM - DAY

Yet another cop lies on the ground, blood smearing his face. A policeman flies across the room and is sent crashing into the wall with a heavy THUMP. Dead bodies litter the floor.

PLEADING COP

No, don't. No! Please --

CRUNCH!

Pleading Cop drops to the ground at Kayden's feet, eyes open, head at an impossible angle.

Kayden strides across the room and crashes through the next door, in pursuit of his target.
